

MDI Music Boosters
7 December 2017
6pm Music Room

Attending Board Members: Kathy Cox, Julie Hagle, Cristy Benson, Andrea Howell. **Also Attending:** Michael Remy

November Meeting Minutes were approved.

Treasury Report – Kathy shared the Treasurer’s Report.

- The marathon dinner grossed \$4023.88.
- Final income and expense numbers for the citrus sale and Christmas tree sale are pending the completion of the events.

Fundraising for the year

Citrus Sale - Julie shared.

The final count on fruit was 295 boxes. Thank you to Michael for sending out reminders to students to place orders. The order was submitted, however we don’t know a precise delivery date. The delivery is expect before the concert, maybe on dress rehearsal day (Wednesday, December 13th). Michael verified that we can load and organize fruit in the band room as rehearsals will be in the gym for the concert.

Christmas Trees - Kathy shared in Brian’s absence.

There is a plan for music on the lot on Dec 9th. However, the forecast calls for rain/snow. If this is happening, we will need to advertise about this. Brian ordered another 100 trees and shared that they are selling well. There was a discussion about if there is a need for volunteers.

Director’s Notes

Classical All State Auditions - Thirty Seven students attended. They seemed to have a successful day and were not as nervous as in past years. They have received their scores but not whether they were accepted yet. Bronwyn was an adjudicator for first time.

Winter Concert- They are close to ready for the concert. There is a concern about fitting in the auditorium. Perhaps the spring concert will be at the criterion.

Jazz bands have started, but combos have not been arranged yet.

New Business

Winter Concert Admissions- We will need two admissions helpers, starting at 5:30. Kathy will set up the table, but will then be inside for the concert. Kathy planned to call on people who have expressed interest to help.

Next meeting date – Jan 4, 2018

Adjournment

Coming Events:

Dec 8, 9, & 17 Bagaduce (MDI students participating)
