

MDIHS Music – Florida Citrus Fruit Sale

November 1-November 17, 2022

The Florida Citrus Fruit Sale is a great opportunity for MDIHS Music Students to fund YOUR Individual Music Booster Account! **Each box you sell and deliver locally = \$10 in your student account.** Money you earn for your account may be used for music related expenses such as instrument purchase, lessons, attending music festivals etc. The Florida Citrus Fruit is delicious and sells easily – but you have to ask! Every year some MDI Staff and Community Members say they weren't contacted about the fruit sale, and wish they were, so don't be shy!

2022 Prices for the boxes of Florida Citrus Fruit are as follows:

Navel Oranges (20 lbs)- \$31
Ruby Red Grapefruit (20 lbs) - \$31
Mixed Orange/Grapefruit (20 lbs) - \$35

- **Please collect cash or checks when you make your sale!**
- **Checks may be made out to: *MDIHS Music Boosters***
- **Please keep an accurate and legible record of your sales, including customer's name, telephone, orders and money collected. Make sure your money total is correct for the total sales you have made.**

Envelopes with Money and Order forms are DUE Thursday, November 17, 2022.

Be sure your name is on the envelope and form. Turn in your envelopes with money and forms to Mr. Remy or Ms. Kortge.

Fruit will arrive around December 14 for you to deliver locally.

Online orders: <https://www.floridafruitstore.com/MDIHS>

If your customers select **GROVE to SCHOOL**, the fruit will arrive to the high school for you to deliver. **Local Delivery is the BEST VALUE for your customer.**

If your customers live far away, they can **select GROVE to HOME**. Having fruit shipped directly to the customer is more expensive for the customer and is a lower profit for you (\$9 per box). However, some friends and family are still interested!

For you to be credited for the sale, your **customer needs to enter your name** in the 'sales person' field.

We suggest a message like the following could be sent with an e-mail or online post:

"I am selling delicious Florida citrus fruit direct from the grower to support MDI High School Music Boosters and hope you will place an order. If you live near MDI, Select grove to school. I will deliver your fruit and that will be most cost effective for you. If you live out of our area you may order fruit to be shipped directly. Please be sure enter my name as the person to whom credit for the sale should be given. Thank you for your support of our outstanding music program here at MDI High School!"

Questions? Please contact cristy.benson@mdirss.org

Good luck with your Fundraising!!!
