Here's the plan for tonight...

Nonet is 230-430

Due to many sicknesses and fatigues, Big Group in full is cancelled.

Trumpets are going to do a sectional with Lawson at 330. It can last as long as you want it to. 330-430, 330-5, etc. Decide at the beginning so you can coordinate rides.

NO rhythm section sectional.

Saxes/Bones can decide if they want to have a sectional. If not, no big deal, if so, awesome. Saxes would be missing El, but that's ok. Saxes could still use some fine work on all the solis.

If you do a sectional, it doesn't have to last the full two hours. It could also start right at 230.

You decide and I respect that decision.

Thanks buds, Remy
