

Hi all,

Tomorrow we are meeting in person. I've included some non c-block folks in case they're down.

You do need your instrument(s). Bring a charged computer.

We'll meet outside the music room. If you drive yourself, you can park back there.

Band will meet from 12-1240.

Chorus will meet from 1240-120.

Orchestra will meet in the music room from 120-2.

When you aren't in a group, you'll either be able to play more music together if you have the right crew, or you'll be able to go to the theater and sit/do work, etc.

Dress for the weather- think football pep band.

Band, if you have a pep band book, bring it, if you don't, I'm working on getting copies for everyone in the band. Depending on weather (we may or may not be allowed to use the fields- we won't know until tomorrow because of tonight's rain- which will decide what we are able to do), basses/percussion may be in the music room.

Orchestra will sight read in the music room.

The goal for tomorrow is to get to see each other all together in at least small groups, see and hear each other in person and hopefully play some music.

The music may not be as good as it would be if we were able to be inside and have everyone (a lot of seniors are out for SAT) but it's STILL MUSIC and it's STILL together.

If any of you are able to come early and help set up, please email me.

If any of you have extra extension cords that you can bring with you, please email me.

Please be patient and open minded. We'll do the best we can with what we have. And it'll be a start.

We plan to do this only a few more times before it gets too cold, including next week, so if you are a senior/someone who can't come this week, I'm hoping we can have one of these where we are all there and blasting.

Thanks buds- Remy
