Sing Day:

Don't need to be singers - Bronwyn needs all the help she can get.

Pep Band:

Who votes? Band? Just us? - **Just us.**

Seniors and Juniors into Tri-M:

- important to know why they want to be in Tri-M
- activities they do, just as a statistic, but the main deciding fact is why they want to be there.
- Just Seniors - Juniors and Sophomores have to wait until the end of the year.
 - **Be public about the seniors right now**
 - Awkward? - no body cares.
- Questions:
 - Why do you want to be in Tri-M?
 - What musical activities have you participated in you high school career?
 - **It's on the website right now - only for seniors.**

Will is taking a very long time to tie his shoes.

- Deadline?
 - We choose who gets in? Bronwyn and Mr. Remy's input?
 - We pick - we have reasonable judgement.
 - **We do it the same way we picked the president. Deadline is next Thursday.**
 - *We've used the same application we used last year.*

Hannah's cold. Thistle had chili.

Attendance:

- Several are still not here. **Next week is their last chance.**
 - How do we get rid of them?
 - Us? Mr. Remy?
 - Find out on the national Tri-M about how this works.
 - Will looked and it's not obvious.
- Can they come back? - yes, but they have to prove themselves.

"We're like a whole bunch of white guys with powdered wigs sitting in the basement of a church. Covered in boils." - Remy

- Will is president, but feels that it's important that everyone can throw out ideas.

Lessons with Middle Schoolers:

- Abby wanted a program for lessons for people.
 - At Tremont there are lots of kids who can't afford/are worried about lessons.
 - We could be that stepping stone between school.
- Pick a week (once a month) where Mr. Remy takes a group of kids in the school van to each school.
 - Committees for each school - a contact person on each school to email the teacher.
 - Abby emails Tremont
 - Hannah emails MDES
 - Will emails Connors Emerson
 - Megan emails Trenton
 - Hannah emails Pemetic

Cleaning the Music Room:

- Breaux was talking to Bronwyn and she says it's never really been clean.
 - File cabinet/music
 - Chords
 - Mr. Remy's Desk
 - Percussion Section
 - Music Lockers
 - Sink
 - Practice Rooms
 - This is the cleanest it's ever been, but it's still not great.
 - FOOD - pick it up.

Dinguses in the Practice Rooms:

- Music kids have priority
- Signs aren't good enough - we need something bigger.
