Megan:How do you spell "Oo?"

Hannah: I'm guessing 3 Os...sound it out."

Pep Band Shirt:

- It arrived. But it's wrong.
- We should just use Custom Ink - it might be more expensive, but it's worth it.
  
- Money?
  - We have none. -Treasurer Edgecomb
  - We should sell ear plugs at pep band games. - Megan
    - Everyone just laughed a little and moved on very quickly
  - Bake sale at locker break?

Mr. Remy:

- He ate in a place in New Hampshire called the friendly toast.
  
- After the last meeting, people wanted to quit...that's unnecessary...
- There's been a lot of drama this year - accusations that the program has changed.
  - People are talking - it's gotten to the point where middle schoolers are getting stressed about coming.
  - This is still going to be a good year...but he didn't see this coming.
    - It's rotting his insides.
      - "You're the most emotional person I've ever met. You should get it in check." -Matt Cox to Mr. Remy
  
- We've become good enough to the point where there's actual competition for spots. More people are giving it their all, and because of limited space, it appears that more people are rewarded than others.
  - "Why do we subject high school students to this process?"
    - Adulthood is packed with this kind of thing. We need practice for real life.
    - College auditions.
    - Allstate auditions.
    - You have to look at it as practice to the future.
    - We should be more supportive.
      - Lots of inside jokes...a lot of the stuff is within the students, not Mr. Remy.
      - Keep in mind just how open and welcoming you are to others.
- Respect for work ethic. Maybe should push for everyone to have that ethic, and we should encourage others more.
- There are only so many hours in the day - he can't possibly fit *everyone* in.
  - Stop altogether? No.
  - Sign up sheet?
- Is there a culture shift?
  - The audition thing will blow over.
    - Mr. Remy didn't do anything wrong. He held auditions, and made a choice. That's it.
  - We personally need to be more positive. We're leaders.
  - We also need to emphasize the fact that combos and stuff aren't made based off of who's the best.
