Middle School Lessons:

- We should start soon.
- That's all I heard. I was late. Sorry.

Inductions:

- Self-nominations
- Early May, late April?

Attendance:

- What is excusable?
    - NOT "Sorry I can't make it."
    - Rehearsal *is* excusable.
    - Waking up late?
  - Leave it to Mr. Remy to do the "kicking out" or bringing back.
  - Should we offer an "exit survey" to see what wen wrong.
- "Sorry, I can't come to Tri-M today, I'm slinging bricks for college." -Will Miller  
"Sorry, I can't come to Tri-M today, I'm *building my college.*" -Lucas Wood.
- We need to talk less about Tri-M in Tri-M, and not enough time doing things.
- "We all want this to be a service organization, but we're so caught up in figuring out what that is we haven't done anything."
