I lost track of who was and wasn't excused, but everything's fine. :)

Letters:

- Everyone got their assignments.
- They were going to be due a week from today, but that was when we were supposed to get them earlier...so now we're not sure.
- Those are due **next meeting**.
- Remy is sending out a sample letter.

Doors:

- They're locked and the janitors keep kicking us out.
- We don't like it.
- What do we do.

- We're supposed to go to the cafeteria.
 - We should just practice very loudly in the cafeteria.
 - Or have a sit in.

"This all happened because Chase is playing bongo." -Remy, 7:26

Personality:

- Some trays left in the dance studio and in the music room.
- "Do whatever we want because it's someone else's problem."
- Several people have said that we're "jerks."
- (You can hear Chase playing the bongos.)
- Homework is a problem too.
 - "I had a rehearsal" is not an excuse.
 - We've become arrogant.
 - "Culture of Care."
- The next cabinet is going to have to fix it.

"Don't be happy." -Zak, 7:37

#impeachremy

Candidates:

- We have four candidates.
- Now the candidates write essays - **due next Thursday**.
- The entire music program will **vote next Friday**.
- Do we want to write an essay? Does that just base the election off of their writing skills?
- An essay is fine.

"Join the MDIHS readers and writers club and you too can be the Tri-M President." -Tarzan, 7:44

Paul Simon:

- Still Crazy After All These Years.
- Let's try one song as an experiment to see how fast we can learn it.
- Do we have several bands? (I wrote that before Will even finished suggesting it.)
 - Some bands consist only of the football players.
- To get around the copyright laws, don't call it a Paul Simon concert. We just happen to only play Paul Simon's music.
- Poor attendance?
 - Have the show choir open for the concert.
- Mr. Remy will arrange one song, assign parts to people, and we'll practice rehearsing a song and see what happens.

Will is making a fool of himself. Again. -7:50

- Still Crazy After All These Years, in the style of Prince.
 - Advertise that it's a Prince album cover. But it's not.
- Be prepared to let them know what they can do/play/be involved with.

Cleaning:

- Mr. Remy is going to assign little cleaning committees.

Closing Statements:

- Is music for everyone?
- Are there always going to be people who quit?
- What can we do to make it more attractive to the types of people who are leaving?
