July thingy

Ben is the head of this project
Are we going to have in the village green... I don't know
Sierra Tapley should DJ

Plans for next year

Organization

Better lost and found (the one Megan made sucks(Megan's words)

Storage room

Put these things in place before next year

Better thing for the drummers

Locker systems for next year

Music lockers

Assign lockers on the first day

Assign people lockers they have no choice

Storage closet

Shane Ellis would put chain link fence between music instruments and the rest of the world.

Make list of what they need on freshman day so it will be less of a mad house

"There are no toes here" -Remy 7:30

Priority system?

Organising it before school starts

Mary Ellen and pierce are going to do stuff in the storage room

End of the Year :(

Think about this program over the summer

More at the middle school

Things you wished you learned or things you learned

Mr. Remy wanted to be a little old man, not anymore

We want more kids in music

No walls at Pep Band: engage more people

Request list for sports

Unified Pep Band?

Mr. Remy can't do much more, that's why we have Tri-M

Think about these things over the summer
