

Hi everyone,

Our music boosters have come up with an easy way for you to make \$25/hour! This money can be used for any musical thing! And you'd be helping out the music program! See below:

MDI music students: You have the opportunity to raise money to support your own musical education! Individual student accounts can be applied toward music lessons, travel expenses for music-related festivals, and even instrument costs. One way to raise money that has been really successful in the past is by collecting cans and bottles at several redemption locations on the island, but we need YOUR help with this important money-maker. You can help by signing up to clean up the redemption bins, by collecting trash and putting loose cans and bottles into garbage bags. One hour of clean-up will earn \$25 toward your student account. There are two different locations: at the IGA in Southwest Harbor, and behind Mother's Kitchen in Town Hill. We are looking for two cleanups per week in SWH, and one in Town Hill (3 time slots available per week). Slots are Wednesday afternoon in SWH and Town Hill, and Saturday morning by noon for SWH only. [Please use the attached Google Spreadsheet to sign up for your time & location](#). In order to receive the \$25 in your student account, please send "before & after" photos to Abby at atadenev@gmail.com. Thanks, and happy earning!
